C. ELIGIBILITY

An Ivor Novello Award celebrates achievements by British, Irish or UK resident songwriters and composers. There is a minimum threshold of authorship, by a British, Irish or UK resident, that is required for eligibility across all award categories, except for the Special International Award and Academy Fellowship.

Songs, albums, feature film, television and video game scores must have been commercially released, to UK audiences for the first time, between 1 January and 31 December 2023.

In addition, they must have a British or Irish authorship contribution of at least one third (33.3%) according to the works registration at the relevant royalty collection society. In calculating the British or Irish contribution all songwriters or composers will be considered, including any samples used. A non-British or non-Irish national's contribution can be considered, for the purposes of eligibility, provided they were ordinarily resident in the UK from 1 January to 31 December 2023 inclusive. The Ivors Academy reserves the right to request proof of residency status.

Candidates for the Rising Star Award must be British or Irish nationals or ordinarily resident in the UK from 1 January to 31 December 2023 inclusive. In addition, they must be aged 18 to 24 as of 31 December 2023.

Candidates for Gift of the Academy Award recognition, with the exception of the Special International Award and Academy Fellowship, must be British or Irish nationals.

Each award category has additional specific eligibility criteria, for details please see the CATEGORIES section.

ENTRY LIMITS

There is a limit of three works authored by the same songwriter or songwriting partnership that can be entered into Best Album, Best Contemporary Song and Best Song Musically and Lyrically in any one year.

Where the same songwriter or songwriting partnership has authored multiple albums or songs released across the year the Academy encourages entrants to choose those which demonstrate the highest level of songwriting craft for consideration.

There is a limit of three works by any one composer that can be entered into Best Original Film Score, Video Game Score and Television Soundtrack in any one year.

Where a composer has scored across more than three films, games or broadcasts in any one year the Academy encourages entrants to choose those which demonstrate the highest level of compositional craft for consideration.

A musical work can only be entered into one category in any one year.

The Ivors Academy currently presents Ivor Novello Awards twice a year. Awards are presented at The Ivors to recognise songwriting and screen composition. Awards are presented at The Ivors Classical Awards to recognising composers of classical music and sound art. The Ivors Academy reserves the right to move a work entered to a different Ivor Novello Award ceremony, so it receives the appropriate peer review.

Works which have previously been entered for Ivor Novello Award consideration (at either of our ceremonies: The Ivors or The Ivors Classical Awards) cannot be re-entered for the Awards.

Any work where there is or appears to be a genuine ownership, authorship or author-share dispute may, at the discretion of The Ivors Academy, be disqualified.

The Academy promotes anonymous judging across our presentation of Ivor Novello Awards. Entrants should remove any reference to the identity of the songwriter or composer on submitted material, where possible.

E. AWARD CATEGORIES AND RULES

This section focuses on specific eligibility criteria for each category, what materials must be submitted at the point of entry and who is eligible as a candidate for nomination. These are the names that will be listed as nominees or winners should a work or individual be nominated or win in that category. The judging process for each category is also summarised.

F. JURIES

An Ivor Novello Award represents peer recognition, and all eligible entries will be assessed by specially appointed category juries; the members of which shall be chosen by The Ivors Academy.

The Awards team build the lists of jurors made up of professional songwriters and composers from across The Ivors Academy membership. Members are invited to put their names forward to be added to a panel of potential jurors each year. These lists are subject to Awards Committee approval.

The Academy is committed to striving for inclusive, representative and respected panels and the following best practice guidelines will be followed:

Juries will endeavour to incorporate a diversity of voice and thought and:

- Will have five jurors present to be quorate and will not usually exceed seven jurors in total; except in instances where a larger number of voices is required.
- To ensure balance and that the demographic make-up of the jury is as wide as possible, each panel should contain:
50% gender balance, 30% Black, Asian and Minority Ethnic representation, 10% creators with disabilities, involvement of a minimum of one person aged under 25 and avoidance of London-centric representation.
- We review and appoint members on an annual basis to facilitate regular rotation.
- Judging is a voluntary activity.
- An Independent Adjudicator will be present at each judging session, in a non-voting capacity.
- All judging sessions will be led by a Chair, in a non-voting capacity.
- A juror must not have any conflicts of interest: jurors must not have an authorship credit on any works entered into their category. Any possible conflicts of interest, such as personal and professional connections to the entries, must be declared to the Academy before the meeting takes place. The Independent Adjudicator will determine what constitutes a conflict of interest. If a conflict is identified the juror will be asked to forgo their role.

- The list of jurors is not made public until the day of the ceremony, to avoid lobbying. Jurors are asked to keep their involvement confidential until that time, to avoid lobbying, and sign an NDA to ensure that all discussions within the meeting remain confidential.

All decisions made by The Ivors Academy and its juries regarding nominations and winners are confidential and final. No correspondence will be entered into as to why particular entries were or were not nominated.

G. NOMINATIONS AND WINNERS

There is a minimum threshold of eligible entries to determine whether a category has five or three nominations. The Ivors Academy, and its juries, reserve the right to nominate fewer works should they deem it appropriate in any given year.

Nominations for each category will always be listed in alphabetical order by work title, except for the Rising Star Award, which will be listed in alphabetical order by nominee name. Where there is more than one candidate for nomination associated with a work, names will always be listed in alphabetical order of surname. Where a work contains samples, the candidates for nomination associated with the samples will appear after the candidates for nomination who wrote the original material.

Details of when candidates for nomination will be confidentially informed, and when the nominations will be made public, can be found on The Ivors Academy's website. These dates are subject to change.

Acceptance of any nomination or award bestowed by The Ivors Academy shall be deemed to constitute acceptance by the recipient of The Ivors Academy's [CODE OF CONDUCT](#), published at the time such award was accepted.

Each candidate for nomination will be invited to receive a complimentary year of Ivors Academy professional tier membership.

Each candidate for nomination will receive a ticket for themselves and a guest to attend The Ivors ceremony, courtesy of The Ivors Academy. Complimentary tickets are issued on the basis of nominees being hosted on an Ivors Academy table. Complimentary tickets are non-transferable.

Should a candidate for nomination be unable to attend the ceremony it is a condition of entry that they supply an acceptance video, and grant permission for the video to be played during the ceremony, should their nomination be successful.

Each candidate for nomination will receive an official unframed nomination certificate. Upon request, unframed duplicate nomination certificates can be purchased by bona fide representatives of the candidates for nomination. For further details and costs contact the Awards Team.

There will be one winner in each award category.

The winner's press release is the definitive source of award winner's information.

One hand cast bronze statuette (Ivor Novello Award) will be presented to each winner in line with the candidates for nomination. Only these individuals will be invited on stage to collect their award at the ceremony.

One hand cast bronze statuette (Ivor Novello Award) will be presented to the corresponding UK music publisher if they are included in the candidates for nomination. Where a co-publishing credit has been agreed one statuette will be presented to the hyphenated credit. An additional duplicate Ivor Novello Award may be purchased for the second publishing company after the ceremony.

The Ivors Academy does not issue duplicate Ivor Novello Awards in any other circumstances.

Award winners unable to collect their Ivor Novello Award at the ceremony must arrange collection from The Ivors Academy within 12 months of the ceremony, unless they have arranged for a representative to attend the ceremony and collect the award on their behalf.

Award recipients acknowledge and agree that the Ivor Novello Award statuette remains the property of The Ivors Academy and it is to remain in the care of the recipient or their descendants. Should the award leave the care of the recipient or their descendants, the Academy reserves the right to purchase the award back for a fee of £1. The award must not be sold on to any third party.

Award recipients acknowledge and agree that possession of the Ivor Novello Award statuette is granted upon the express condition that the recipient will not use the statuette other than for their own personal, non-commercial purposes. Without limiting the foregoing, any public exhibition, reproduction, or other public or commercial exploitation of the statuette by the recipient or any third party, without the express prior written consent of The Ivors Academy, is strictly prohibited.

Awards recipients acknowledge and agree not to use the Ivor Novello Award statuette in any way that is deemed obscene, offensive, disparaging, derogatory or harmful to the reputation of The Ivors Academy or the awards.

The Ivors Academy reserves the right not to make an award in any category.

The Ivors Academy reserves the right to rescind an award or nomination, once bestowed, at the sole discretion of The Ivors Academy Board.
